We'd Like Your Help Please

Over the years, many records have been lost, many members have married or moved and so it's simply not possible to get a personalised invite out to every past member. We'd like your help to spread the word about our event, please talk amongst your friends and pass this invitation along to anyone who is interested. The night is open to any past or present member and their families.

Do you have any old photos or memorabilia? Apart for the Caravan and it's contents, current members are pretty light on when it comes to club memorabilia. We'd love to have a table full of pictures, old club tops etc. If you've got anything that you think you might like to share, please either contact us or simply bring it along with you on the night.

If you have any questions please feel free to contact either
