Presidents Report

Wow, my last report as the Rural Youth State President.

As I write this, it is the day after the Rural Youth AGM which was held at Longford. I would like to thank all the Rural Youth delegates and members that turned up to make sure that we could hold our AGM. It was a stressful period of time for the first little while, while we desperately waited for people to turn up to ensure that we had a quorum.

At the AGM we had the opportunity for Liberal Minister, Jeremy Rockliff MP to attend and sign off on our Rural Youth Grant, which will provide Rural Youth with \$40,000 over the next 4 years. As a part of this, Rural Youth Council has provided an opportunity for one Rural Youth member to attend the Marcus Oldham Leadership Program each year for the next four years. The application form is available by contacting the Rural Youth Office.

In the last month, Rural Youth Council for 2014 had their final meeting and signed off on lots of actions. We have been progressing with the Work Health & Safety requirements in getting the online training system up and running (keep your eyes peeled for information soon!) and we have been getting Quercus ready for the National Historical Machinery Association Rally which is being held on the 27th February through to the 1st March.

I have lots of people to thank for their help and support over the last two years in this role. A big thank you goes to Prue Dennis, Tiffany Morley, Katie Coad, Amanda Bayles, Jayne Clark, David Dunn, Paul Bennett and Wesley Hazell. Thanks must go to the Rural Youth office staff for their help and assistance that they have provided over the last two years.

My last thank you goes to my family, Dale, my mum Carol and my other half Ben. Without you I wouldn't have been able to do the role of Rural Youth State President to the best of my abilities and I look forward to having a quieter time now that I have handed the role over.

I would like to congratulate the new State President, Prue Dennis, the new Senior Vice President Ricky Edson and the Junior Vice President Phillipa Green and wish them the best of luck for 2015.

I look forward to working closely with Rural Youth Council in the coming year/s and look forward to seeing everyone at the next Rural Youth function soon!

Agfest Report

Hi all,

Well in the five weeks since the last meeting there has certainly been a lot happening.

The equine arena was a very hot topic there for a couple of weeks after our decision at the last meeting. I responded to the couple of posts on Facebook but it hasn't seemed to help. Which unfortunately means that equine as in the past won't run for 2015. There will still be equine sites on the main static site.

We have set a site marking weekend of the 28th & 29th March so it would be great if you can pop it in your diaries and come to Quercus even if it's only a few hours one day. We will make the weekend a fun one with the aim of marking the site in 2 days. Can we do it, YES we can!!

Further working bees will then be held through the month of April. It would be great to see as many people there as possible.

Remember volunteer forms are now out so please pick one up or fill in from the newsletter and return by April to secure a bed and some food. This year you can either fill in the traditional form or try something new with survey monkey online.

There are a few positions still vacant, see the committee list (on page 6) for the list and contact me if there are any that take your fancy. I will try and get to some club or region meetings before Agfest so if there is a particular meeting you would like me to come to, please ask?

● Looking forward to Agfest only 73 days to go till the gates open!

● Cheers
Amanda

Southern Region Report

Southern Region held their Annual General meeting on the 21st January. We are excited to share the newly elected committee of; Kate Coad - President, Richard Allwright - Vice President, Nicole Elliott - Secretary, and Kaysie Wood - Treasurer. A huge congratulations and thank you to the 2014 committee, in particular Dale Hayers, Phillipa Green, Nicole Elliott and Simone Hayers as the executive position bearers for last year.

Regions are focusing on their own backyard a little this year, with ensuring we support clubs and really network within this social group to boost each other up. We have started conversations about the Young Farmer Dinner and catering for lunch, some exciting plans and additional suggestions with many more to come!

We hope to run a meeting in March and book in a few plans for upcoming events, opportunities and fun!

Clubs within Southern Region are; Brighton, Central Highlands, Kingborough Huon, Oatlands, Sorell and Tasman. Brighton are busy scheduling their AGM in the near future. Central Highlands has been flat out with many social activities and involvement with Bushy Park Show. Kingborough Huon spent a day at Hobart Cup - a wonderful social networking opportunity with a mix of members and non-members attending their VIP site. Oatlands has been promoting for new members which is great to see. Sorell has just held their AGM. Congratulations to Phillipa on being elected President, and well done to Sarah for her leadership during presidency last year. Tasman is currently under construction, no members at present, but we hope to see/help that change soon!

Members have been out and about socially with rodeos, agricultural shows and at Rural Youth State AGM, huge congratulations to Prue Dennis on being elected State President, and to Ricky Edson (Senior Vice President) and Phillipa Green (Junior Vice President). Thank you and well done to Simone Hayers on completing her two year term of State President, welcome to the alumni of Advisory as a "past" and the role of Immediate Past State President!

Any questions on Southern Region please feel free to contact us via our Facebook page, or contact Kate on 0409 295 158.

Cheers Kate

Kingborough Huon Report

Hey All!

So since our new committee took over in January the club has been busy out and about!

The Southern Region AGM was well attended, where many of our members took on positions on the new committee. We have also been well spotted around the state at rodeos of late, with many members jumping in their cars and going for a trip!

Last weekend the club hired a site at the Hobart Cup. We had over 25 people come along for the day to watch some racing, have a punt and drink some beers. Members had a go at fashions on the field and even Tory ended up in the Mercury Newspaper in an article about fascinators, despite her knowing nothing about the one she was wearing!

Owen also tried to chat up some older ladies, Nick threw a chair over a fence and Simone had a bundy can explode on her dress. Despite all this, it was a great day all round, with a few sore heads at work the following morning!

Last week we had a quick meeting at Kingston Beach, where we enjoyed cheap dim sims and some hot chippies. Be prepared to see more of our members around the state soon!

And remember:

RAC Report

As you are all aware the organisation is currently part way through recruiting for the role of a General Manager – there was a lot of interest in the position resulting in over 20 applications being received. First round interviews are currently underway and final round interviews will be completed in mid-March and we anticipate that the successful candidate would be in a position to commence work during April. The person we are looking for requires quite a diverse skill set and we are hopeful that the perfect candidate will be amongst those applications.

RAC, while comprising of three past members of Rural Youth (nominated by the Advisory Committee) has the majority of its membership made up from current members including: the State President, State Finance Director, a member of Rural Youth Council, Agfest Chairman, Agfest Treasurer, Property Management Committee Chair, Property Management Treasurer and as of the Rural Youth AGM an additional 2 current members of Rural Youth. Meetings of this meeting cannot commence without a quorum or current members, all business of RAC is undertaken with considerable consultation and discussion and while my name is at the bottom of this report, I always convey the agreed position of the committee.

RAC appreciates these are times of significant change for the organisation, we encourage you to contact any member of RAC to ask questions or seek clarification about the process we are going through.

We look forward to continuing to work together to meet the challenges that face the organisation to ensure its successful future.

Westmorland Report

Welcome to the New Year!

Only a month late. With a new year, comes a change of the guard. In 2015 we welcome Prue back to the president's chair, with Luke Reid in the Vice helm working in conjunction with Prue to manage the book work and with Maharla being our ever savvy secretary.

We look forward to the coming AGM and catching up with everyone.

Massive thanks must go to our outgoing executive who did a fantastic job in 2014. We cannot thank you enough for working so hard for the integrity of the club.

See you all at the AGM.

Dates for next meetings.

February 18th

March 18th

See you next time out of the middle!

Central Highlands Report

Hi there,

Loads happening at Central Highlands, On Saturday, 7th February Justin, Vanessa & Emma attended media training at head office in Launceston. On 13th - 14th February Justin & Emma attended Agfest meeting followed by the working bee. Sunday, 15th February we held our club working bee at Ashton where we bagged up sheep manure for the Bushy Park show where members are parking cars and horse floats, selling sheep manure and holding an information stall about Rural Youth.

Members are looking forward to attending State AGM.

Have you noticed our new Facebook page for our club? As a result of creating this page we were contacted by Sally from the ABC radio's country hour to do an interview about the club. Our club secretary spent a few hours in the ABC radios Hobart office with Sally resulting in an interview being aired on the country hour which is fantastic!

We would also like to congratulate our club secretary on recently attending the scope global seminar in Hobart. Emma nominated herself for a study tour in Africa which meant submitting a long application and going before a judging panel and as result of this, Emma made the top 20 in Tasmania, well done!

We would also like to welcome new member Jasmine Hill to the club!

Members are looking forward to running the Dog High Jump and Ute Competition at the Hamilton show on 28th March, flyers will be out and about very soon. Members are also helping the committee erect a fence for the clay target section at the show.

Until next time, Central Highlands

Oatlands Report

Hey All

We had our AGM just before Christmas at our clubrooms. We now have:

Phil McConnon - President

Gemma Lord - Vice President

Ebony McConnon - Secretary/Web Director

Chantal Byrne - Treasurer

Congratulations to these four members! A special thank you to our past member Katie Crane for being our Independent Chair for the meeting!

We held a cocktail evening at our clubrooms in conjunction with the Midlands 97.1 FM Community Radio station and invited the Southern Midlands Council and the Lake Dulverton Committee to show them that we are after some funding to get the clubrooms looking 100% so that they can be utilised more by community groups or for functions. This was a fantastic night, seeing four of our members Gemma, Rod, Phil and Ebony attending and enjoying a nice chat with about 20 other attendees. Immediate Past President Rod gave a fantastic speech to Mayor Tony Bisdee and all the guests. Fingers crossed we can soon turn our little clubroom into an amazing building for future events and functions.

We have been asked by the Midlands 97.1 FM volunteers whether we would like to run our own show on the radio... keep tuned when you are in the area, we may be taking them up on this offer very soon!

We have a few members heavily involved with Agfest coming up, Babette, Will, Ebony and Phil. With just over two months to go they are looking forward to this year's field days!

We have also started organising the Campbell Town Ute Competition held at the Campbell Town Show in May. Keep your eyes peeled in the newsletter and on Facebook for information leading up to the event.

In the middle of last year we set up our own Facebook fan page: www.facebook.com/oatlandsruralyouth. This has been a great platform for us to get information out there to our members and also members of the community about our meeting dates and events we have been a part of. If you haven't already, please like and share our page.

We hope that everyone has had a good start to the year, nearly the end of February already! It will be Christmas again before we know it... lets get through Easter and Agfest first though!

The next meeting is on Thursday, 5th March at the clubrooms, at the Aquatic Centre on the Esplanade in Oatlands. Future meetings will be held on the 2nd Friday of each month to be held at the clubrooms from 7pm. We will let people know two months in advance of any changes to meeting date.

Cheers

North Motton Report

Well at North Motton 2015 has started quite well.

Our club volunteered for car parking at the Henly on Mersey at the Axeman's Hall of fame in Latrobe and even scored free tickets into the function!

On behalf of the club we like to congratulate Prue Dennis on becoming the new State President and Simone Hayers for the terrific job she has done over the last two years as State President. We would also like to congratulate Ricky Edson on getting the role of Senior Vice President and Phillipa Green as Junior Vice President. We wish you all good luck on your new roles in Rural Youth!

Also our club roles have been filled with Ryan Langley as our President, Danielle Williams as our Vice President, Sarah Casey as our Secretary and Korey Stratton as our Treasurer. These announcements should have been announced in the January's newsletter and we do apologise about that.

We don't have any real big plans in the coming weeks other than a North West Region meeting on Thursday 26th February and the next North Motton meeting on the 3rd of March.

● Cheers, have a good one.

Sorell Report

Sorell may have had a quiet start to 2015, but Sorell was finally able to hold the AGM in February. Thanks to all members that came, it was a fun night! We must thank Kate Coad for being the independent chairperson on the night.

Congratulations to the following people taking on positions for 2015!

President: Phillipa Green

Vice President: Isabella Scott

Secretary: Sarah Birch

Treasurer: Karlie Birch

We had one member Phillipa Green attend the Rural Youth AGM in Longford and congratulations to Phillipa on being elected the Junior Vice President for Rural Youth in 2015.

Let's make 2015 a great one!!

Competitions Report

Hello there and good day to members.

As you will see by the lift-outs in this month's newsletter, there have been some changes to competitions lately, namely the format in which the member awards are conducted. I hope that the letter answers any questions that you have, if you have anymore then please do not hesitate to ring or email me to ask me. Please also if you would like an electronic copy to fill in please email me pmdennis@hotmail.com.au and I shall shoot one through to you.

As my last report as competitions director I'd love to take the opportunity to thank everyone who has helped out, supported and participated in competitions over the last two years. It is without further wait I announce the winners of state prizes. To the clubs, your certificates will be posted to you along with your cash vouchers to redeem your monetary prize if there is one.

Top Club Prize

I only received 2 entries for top club this year and thus the judges deemed it fit that we reward the effort of both these clubs.

Congratulations to **Kingborough Huon & Westmorland**

Northern Region Report

Hi all,

We hosted State AGM on Saturday 21st at Longford, thanks to everyone who attended; it was good to see a few new faces around the table.

A few people then went on to the dinner at Bracknell that evening which was a lovely catch up with those who attended.

Congratulations goes to Prue Dennis - State President, Ricky Edson - Senior Vice President and Phillipa Green- Junior Vice President, wishing you all the best for 2015.

A huge thankyou goes to Simone and her committee for all their work over the past year.

Our next meeting and AGM is Thursday 5th March at the Rural Youth Head Office 7:30pm.
