# Presidents Report

Hi All

Unfortunately due to various commitments Rural Youth Council members were unable to meet for their scheduled meeting at the end of November. Our next meeting will be scheduled for a date in the first two weeks of January.

On the 29<sup>th</sup> November, we had between 130-140 people attended the 3<sup>rd</sup> Tooms Lake Tumbler at Lemont. The weather was a lot nicer to us this time around. While it was cold, it certainly wasn't as cold as it was in July 2013! The band (Deep Creek Road) kept the patrons entertained and they certainly seemed to be a hit as there were plenty of people on the dance floor! We hope that all those members that attended had a great night and we thank you all for supporting a Rural Youth event! Thank you must got to Katie Coad and Tiffany Morley for organising the event and to Kaysie Wood and Ricky Edson for helping out to, your help is greatly appreciated.

Rural Youth Council is excited to announce that we are purchasing a new training system as part of our WH&S supplier. This online training system will make training easier and more cost effective for our members. We will be contacting all members in the New Year to advise them of the details and the types of courses that are available to be signed up for.

Remember that the date for AGM has been changed as of last year and the AGM will now be held on the 3<sup>rd</sup> full weekend of the February which for 2015 works out to be the **21<sup>st</sup> and 22<sup>nd</sup> of February 2015**. The AGM will be held in the north of the State so please keep your eye out for further details in the next edition of the newsletter.

Media Training has been booked in for 2015 with the dates being the 17<sup>th</sup> January, 7<sup>th</sup> February and the 14<sup>th</sup> March 2015. If you are interested in attending a date, please let me know asap and I will pop your name down for a session.

Our clubs have been starting to hold their AGM's and I am sure the next edition of the newsletter will be full of details regarding incoming officer bearers. I wish all the members taking on roles within their clubs the very best of luck and thank all the outgoing members for doing a wonderful job in their role for 2014.

Finally, I hope all our Rural Youth members have an enjoyable Christmas break and have a safe and Happy New Year, I look forward to seeing you all out and about in 2015.

In the mean time, if you have any questions regarding Rural Youth, please email/phone/Facebook me.
