

Application for Training Subsidy

To complement group training regularly offered to our members, Rural Youth is also offering subsidies for short courses and training opportunities to any financial member who wishes to organise this for themselves. This could be a St. John Ambulance First Aid Course, a computer skills course, driving lessons, an advanced driving course, or more advanced training from registered training organisations.

Suitability of the training or course is subject to approval, but the Organisation will pay up to \$250 for the cost of any approved training course. A subsidy ceiling of \$250 per member applies in any membership year. This includes training organised by Rural Youth such as forklift, EWP, or chainsaw licenses, etc. Training subsidy calculations apply to the date of completion.

If you would like to apply for a Training Subsidy, please send your application and appropriate paperwork, including the tax invoice and payment receipt to head office – once approval is made, payment will be paid via direct deposit – please ensure you include your bank details.

This is a unique opportunity for you to do something worthwhile – don't delay!
